

EUROSERPIN 2023

PALERMO 5-7 JUNE 2023

www.euroserpin.eu

We warmly invite you to attend **EUROSERPIN2023**, to be held in the historic city of **Palermo** in the heart of the Mediterranean on **June 5-7, 2023**, at the Grand Hotel Piazza Borsa.

This conference aims to capture the breadth of research into the biology and pathology of the serpins both across Europe and beyond.

There will be plenty of opportunities for networking with experts, building collaborations, discussing joint funding opportunities and for students, experienced and early career researchers alike to present their work in a relaxed, engaged setting.

TOPICS:

- **Serpin biology**
- **Mechanisms of serpin dysfunction**
- **Diagnostics and therapeutics**

Scientific and organizing committee

Annamaria Fra, *University of Brescia, Italy*

James Irving, *University College London, UK*

Mauro Manno, *Institute of Biophysics, CNR, Palermo, Italy*

Elena Miranda, *Sapienza University of Rome, Italy*

Riccardo Ronzoni, *University College London, UK*

Webmaster: Francesco Impallari, *Institute of Biophysics, CNR, Palermo*
